

SAVE THE DATE!

NutriMENA 2024 Pioneering Parenteral Nutrition Practices

October 4 - 5, 2024

Millenium Airport Hotel Dubai
United Arab Emirates

WELCOME MESSAGE

Greetings!

On behalf of the organizing committee, it is my pleasure to invite you to attend the inaugural **"Pioneering Parenteral Nutrition Practices"** on **October 4-5, 2024**, at **Millenium Airport Hotel, Dubai, United Arab Emirates**.

This two-day event is designed to provide advance-level, clinically significant updates and comprehensive trends relevant to the practice of parenteral nutrition.

The conference will offer healthcare professionals an opportunity to share best practices, network with peers, and create and strengthen clinical collaborations.

It is an ideal platform to foster interdisciplinary learning and collaboration, ensuring a holistic approach to patient care.

We look forward to welcoming you to this conference!

Dr. Omar Alsoukhni

PharmD, BCNSP, MSc Pharmacoeconomics
Conference Chairman
Clinical Pharmacy Specialist and
Head of Pharmacy Department
Dubai, UAE

NutriMENA 2024

Pioneering Parenteral Nutrition Practices

October 4 - 5, 2024

Millenium Airport Hotel Dubai
United Arab Emirates

SCIENTIFIC AGENDA

Day 1 Friday, October 4, 2024

3:30 PM - 4:30 PM Registration and Welcome Reception

4:30 PM - 4:45 PM Opening Remarks

Session 1: Fundamentals and Optimization of Parenteral Nutrition

Moderator: Dr. Omar Al Soukhni

4:45 PM - 5:15 PM **Teduglutide: Clinical Evidence and Case Studies in Reducing Dependence on Total Parenteral Nutrition** Dr. Christos Tzivinikos
Gastroenterology Consultant

5:15 PM - 5:45 PM **Parenteral Nutrition Compounding** Dr. Moh'd Shara
Associate Professor

5:45 PM - 6:15 PM **Total Parenteral Nutrition (TPN): ICU Perspective** Dr. Ashraf El Houfi
Head ICU Dubai Hospital

6:15 PM - 6:30 PM **Coffee Break**

6:30 PM - 7:00 PM **Optimizing Nutritional Status in Pediatric ICU Patients through Parenteral Nutrition** Dr. Diego Arango
Pediatric Intensivist Consultant

7:00 PM - 7:30 PM **Parenteral Nutrition: Balancing Safety and Risk** Dr. Lisa Sharkey
Gastroenterology Consultant

7:30 PM - 8:00 PM **Parenteral Nutrition - Associated Liver Disease: Prevention and Treatment** Dr. Mason Assaf
Clinical Pharmacists

8:00 PM **Dinner**

Day 2 Saturday, October 5, 2024

8:30 AM - 9:30 AM Registration

Session 2: Clinical Practice and Safety in Parenteral Nutrition

Moderator: Dr. Mohammed Alqudah

9:30 AM - 10:00 AM **Transitioning from Parenteral to Enteral Nutrition: Bridging the Gap in Critical Care** Ms. Jumana Al Mubarak
Clinical Dietitian

10:00 AM - 10:30 AM **Optimization of Workflow in Parenteral Nutrition** Dr. Omar Al Soukhni
Clinical Pharmacy Specialist

10:30 AM - 11:00 AM **Advances in Parenteral Nutrition for Neonates: Clinical Updates for Preterm and Term Infants** Dr. Isam Saad
Neonatology Consultant

11:00 AM - 11:15 AM **Coffee Break**

11:15 AM - 11:45 AM **When is Parenteral Nutrition Appropriate? Implementing Nutrition Support Effectively** Ms. Nada Al Saleh
Clinical Dietitian

11:45 AM - 12:15 PM **The Impact of Nutritional Intervention on Clinical Outcomes in Surgical Patients** Dr. Roaa Yaser
Clinical Pharmacist

12:15 PM - 1:15 PM **Lunch Break**

NutriMENA 2024

Pioneering Parenteral Nutrition Practices

October 4 - 5, 2024

Millenium Airport Hotel Dubai
United Arab Emirates

SCIENTIFIC AGENDA

Workshop 1 Moderator: Dr. Moh'd Shara

1:15 PM - 4:15 PM

Concurrent Workshops (Different Rooms):

Workshop 1: Case-Based Workshop on Assessment and Ordering of Total Parenteral Nutrition (TPN)

Dr. Lamia Yahya
Senior Clinical Pharmacist

Duration: 40-50 mins

Objective: Improve TPN Management using real-life cases.

Content: Custom TPN plans, group discussions, and outcome reviews.

Audience: Dietitians, Pharmacist, Healthcare Professionals

Workshop 2 Moderator: Prof. Ammar Jaber / Dr. Mason Assaf

Workshop 2: Central Line Care Management and Infection Control for Parenteral Nutrition

Mr. Adli Baroud
Specialist Nurse

Duration: 45 minutes

Ms. Eman Elyyan
PN Staff Nurse

Objective: Provide practical strategies for central line management and infection prevention in TPN patients.

Content:

1. Central Line Types & Care (10 min): Overview of line types and selection criteria.
2. Infection Control (10 min): Key protocols to prevent CRBSIs.
3. Maintenance Techniques (15 min): Hands-on demonstration of dressing changes and flushing.
4. Complication Management (5 min): Identifying and addressing common issues.
5. Team Collaboration (5 min): Importance of multidisciplinary care.

Target Audience: Nurses, Pharmacists, Dietitians, and Infection Control Staff.

Workshop 3 Moderator: Dr. Omar Al Soukhni

Workshop 3: Sterile Compounding Techniques in Parenteral Nutrition

Dr. Israa AlTaie
Compounding Pharmacist

Duration: 1 hour

Objective: Explore automation in sterile compounding to enhance safety, accuracy, and efficiency.

Content:

1. Automated Systems Overview (10 min): Benefits and functionality.
2. Safety Improvements (10 min): Reduced contamination and precise dosing.
3. Efficiency Gains (10 min): Streamlined workflow and reduced errors.
4. Quality Control (10 min): Automated compliance checks.
5. Case Study (10 min): Real-world benefits.
6. Hands-on Practice (10 min): Interactive session with automated systems.

Target Audience: Clinical Pharmacists and Pharmacy Technicians.
